The service guidelines for electronic registration system (DBD Biz Regist), provided by the Department of Business Development.

The Department of Business Development intends to provide an electronic registration system for partnerships and limited companies located in Bangkok through the electronic registration system (DBD Biz Regist) only, it will be effective from 1 July B.E.2568 (2025) onwards. This information has already been announced through the Business Development Offices in Bangkok area.

However, we have heard that the Department of Business Development is still reviewing whether it will be possible to begin implementation on 1 July B.E.2568 (2025). Therefore, the period may change.
